## HIS NEW METHODS IN GREAT FAVOR.

Interesting Facts About the New Discoveries. What the Learned Professor Has Done for Well-Known People.

Mr. Lehman, 1234 Seventh avenue, New York city, says: "I had rheumatism in my arm so badly that it was as useless as though paralyzed. The shooting pains in the arm and shoulder were so terrible that I was almost frantic. I consulted Prof. Munyon and used his Rheumatic Cure. In forty-eight hours my arm was all gone, and in less than a week I was completely cured. Munyon's Rheumatic Cure is guaranteed to cure rheumatism in any part of the body. A cure of muscular rheumatism entered in from one to five days. It never fails to cure sharp, shooting pains in the arm, legs, side, back or front; or soreness of any part of the body from one to three hours. It is guaranteed to promptly cure lameness, stiff and swollen joints, stiff back and all pains in the hips and loins. Chronic rheumatism, sciatica, lumbago or pain in the back are speedily cured. Munyon's Rheumatic Home Remedy Co., of Philadelphia, put up special bottles for nearly every disease which are sold by all druggists, mostly for 25 cents a bottle.

## Might as Well Be Latin.

What idea does the price in the newspaper convey to you of the Appearance and Value of a Suit?

Absolutely none. You need to see the Clothes. Suppose we just say, "We have Suits from Eight Dollars to Twenty-five; Overcoat from Ten to Forty-five, and every garment has all the Value we can afford to crowd into it at the price."

You are not fools. You expect to see a difference between an Eight Dollar Suit and one at Twenty-five; between a Ten Dollar Overcoat and a Thirty. Can you buy as good a house for two thousand dollars as you can for five thousand? Can you get as many apples for a "bunnet" as you can for a dollar? Clothes are like any other commodity; you get Value according to the money you pay.

And you want to see to it that you buy Sound Apples, and houses that will not tumble down.
